SOUTH GUJARAT PROJECT

Zakat - Lillah - Sadaqah

*Helping families living in deprived areas
to have a better quality of life.*

Registered Charity No:1067746

THE PROJECTS

With the generosity seen through the donations we have been able to help rebuild dilapidated homes and give a number of people equipment and assistance to start their own income source. Some of these include:

REBUILD OF 5 HOUSES

All the houses were falling apart with an entire family, including daughter in-laws, sharing one room which was their day room and bedroom. This left little privacy for the household.

The homes were rebuilt, separating rooms and introducing basic essentials like a simple kitchen area and toilets. A water hand pump was also installed on a location serving four of the houses.

EMPOWERMENT PROJECTS

- Several vendors have been set up with transport and merchandise to begin bringing in an income. This includes selling vegetables, chickens, spices etc with each vendor being given a different set of goods to sell.
- Hand carts (lary) were purchased and given to some existing vendors who were struggling with broken equipment.
- A bicycle repair shop was helped with the purchase of mainly tyres to help boost his business.
- A woman was helped through the purchase of a sewing machine through which she now earns as a ladies tailor.
- Help was given to set an individual up with a mobile phone repair shop.
- An individual was helped through purchase to start selling hosiery
- Around four individuals in different regions were provided with plumbing tools.
- An individual has been helped through the purchase of a fishing net.

housing, empowering

The South Gujarat Project launched last year by the IMWS has already started to benefit people living in poverty.

The region is an area well known by the local community and the IMWS launched the project to help move these vulnerable families out of poverty and give them income generator schemes to stand on their own two feet.

WITH YOUR SUPPORT

We have thus far been able to help families in:

Gandevi, Nani khergam, Chikhli, Khadapar, Tarsadi, Juna kosamba, Kosamba, Baleshwar, Dabhel, Wadagam, Lajpore, Kacholi, Kafleta, Bhoria, Jogwad, Saraiya, Vansda, Alipore, Maneckpore, Harangam.

Helping around 40 families and affecting the lives of over 160 individuals.

YOUR CONTINUED HELP

This is a long-term project that we aim to take beyond south Gujarat maintaining its aims of delivering help and assistance in housing, empowering and local development.

IMWS executive members were present to oversee the projects initiation and development, including identifying those needing support and the delivery of that support.

Whilst continuous feedback and future inspections from Alipore Social Welfare Trust will make sure the donations go to the right projects and help those most in need.

Many of the Societies members, who visit the region, will be able to see the work and monitor its progress first hand. You can help by donating your **Zakat, Sadaqah and Lillah** to the cause.

Individuals to take on individual projects, such as the building of a home, will also be made possible, with the donor being given regular updates on the projects progress.
